Dear colleagues,

President Trump's executive orders titled *Ending Radical and Wasteful Government DEI Programs and Preferencing* and *Initial Rescissions of Harmful Executive Orders and Actions* require each federal agency to terminate, to the extent permitted by law, DEIA offices and DEIA-related contracts. We are assessing how these executive orders apply to Treasury and are taking steps in accordance with those requirements. Consistent with OPM guidance regarding the executive orders, if you are aware of a change in any contract description or personnel position description since November 5, 2024, to obscure the connection between the contract and DEIA or similar issues, please notify officeoftheasm@treasury.gov and DEIAtruth@opm.gov within 10 days. There will be no adverse consequences for timely reporting this information.

Thank you.
